

MD 24 Regional Lions Leadership Institute – Participant Questionnaire

The Regional Lions Leadership Institute Program is a forward-thinking initiative created to cultivate and empower emerging leaders within the Lions community. This program offers a unique opportunity for participants to enhance their leadership capacity through interactive workshops, hands-on projects, and one-on-one mentorship. Focused on developing core competencies such as effective communication, strategic planning, and team leadership, the program prepares Lions and Leos to confidently assume leadership roles within their clubs, districts, and beyond.

By fostering a culture of innovation, collaboration, and service, the Regional Lions Leadership Program seeks to inspire participants to become transformational leaders who drive meaningful and lasting change within their communities.

To help us better understand your goals and potential fit for the RLLI program, please thoughtfully respond to the following questions:

1. What are your long-term goals as a Lion—within your club, your district, and your multiple district?
2. How do you plan to apply the knowledge and skills gained through this program to benefit Lions Clubs International and its mission?
3. What distinguishes you as a candidate? What knowledge, skills, or abilities do you bring to the table?

Please submit this form to your District Governor and District GLT for review and consideration.
